TRiO
"EDUCATIONAL OPPORTUNITY"

**WALTER O. MASON EDUCATION FOUNDATION &
MATTHEW W. TAYLOR SCHOLARSHIP COMPETITION**

April 15, 2009

Dear TRiO Colleagues:

The TASSSP Scholarship Committee is excited to announce the 2009 Walter O. Mason and Matthew W. Taylor Scholarship Competition. We are looking forward to receiving applications from our best and brightest TRiO students across the state of Texas. As a TRiO community, the scholarships allow us the opportunity to recognize the outstanding students we work with on a daily basis and provide the financial support to assist them in their postsecondary goals. Please take a moment to review the scholarship application and distribute to your students. ***Please note that scholarship recommenders must be a TASSSP member in good standing.***

Scholarships are typically awarded in the amount of \$1,000 Matthew W. Taylor Scholarship and \$500 for the Matthew W. Taylor Scholarship. (Scholarship awards are contingent on TASSSP funds.) **The scholarship postmark deadline is July 1, 2009.** Please note that the committee will only accept a maximum of six applications per program.

If you have any questions on scholarship criteria or the application process, please contact Raquel Guerrero, Scholarship Chair at (817) 726-4152 or rperez@fortworthkids.org.

Sincerely,

Raquel Guerrero
